OS map symbols

A title to show what the map is all about e.g. Road map of Sheffield.

A compass rose - shows direction to help the reader.

Different colours show important things such as green for forests and blue for water e.g. lakes, rivers, seas and oceans.

Map Symbols - An easy and simple way to show objects and important things on a map.

A key/legend - Objects and important things on a map are shown by symbols. A key helps us understand the map symbols.

Anaximander was a Greek and he created the first ever map in 600BC!
