Saint Mary's RC Primary School Weekly Newsletter

Our week...

Today was the first of our non-uniform days for the Christmas Fair on 6th December. Thank you all so much for your generous donations- Mrs Wolstenholme will now start making up our lovely hampers!

This week, we have held a whole school science day! Every class studied a famous scientist from David Attenborough to Albert Einstein. Pupils all took part in an assembly sharing what they had learned and lots of different experiments took place. We love our science days!

Some Year 6 pupils have taken part in Bikability Training this week. They have all worked really hard on learning how to ride safely on roads and have all earned their certificates- well done!

Our trip to see Aladdin on Ice is coming up soon- please make sure you have paid for this online and staff have your consent form.

We have joined ASDA Cashpots! Please choose our school on your Asda app if you shop there and we will receive a cash boost towards school funds every time you do! Please encourage your friends and family to do the same!

This month's worship newsletter for families:

This newsletter gives a great overview of what our school assemblies will cover this November and prayers for you to say together at home:

Play and Learn Scheme have begun the running of the breakfast and after school club provision in school and this is going really well! Pupils who have attended this week have thoroughly enjoyed their sessions. Don't forget to register to use the service using the link so that you can book your child on at any time (more details below). If you are dropping pupils off at breakfast club or collecting from after school club please ring the black doorbell rather than the school doorbell.

School Uniform

At Saint Mary's we take pride in our appearance and know that first impressions count. We strive for all pupils to look smart and tidy when in school.

Our uniform policy can be found here:

Any pupil not wearing correct uniform will be asked to wear spare uniform from school until this can be rectified. Parents and carers will also be informed.

Safe Parking

Please respect that 270 children must enter and exit school safely each day. This partly relies upon everyone parking safely and with due regard for others, including our neighbours. Please do not park across drives or in restricted areas.

Please can we ask that the staff car park is kept clear for staff cars ONLY. Some parents/Carers are pulling into the entrance to the carpark, especially in a morning and this is preventing staff from parking and is causing traffic on Mayfield Avenue.
